DETAILED ACTION

This Office action responds to the amendment filed on 12/23/2004.

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after the final rejection mailed on 9/30/2004. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/23/2004 has been entered.

Acknowledgment

2. The amendment filed on 8/12/2004, in response to the Office action mailed on 9/30/2004, has been entered. The present Office action is made with all the suggested amendments being fully considered. Accordingly, pending in this Office action are claims 8, 22, 26, 30, and 34.

Drawings

3. The drawings received on 8/12/2004 are accepted.

Reasons for Allowance

4. Claims 8, 22, 26, 30, and 34 are allowed.
5. The following is an examiner's statement of reasons for allowance:

During an interview held with applicants' attorney, Mr. Wade, reg. No. 40,344, on 10/18/2004, the examiner stated that applicants' remarks about the critical nature of the thickness of the lowermost oxide film were persuasive. See, e.g., page 14 of the amendment filed 8/12/2004. The examiner pointed out that the evidence submitted (see, e.g., fig. 17) corresponds to a silicon oxide layer formed by a reduced pressure CVD method using TEOS (see, e.g., spec./par. 0124). The claims, however, were not commensurate in scope with the evidence submitted because the limitation of forming the lowermost oxide by a reduced pressure CVD using TEOS was not recited. Thus, an amendment adding said limitation was agreed to.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

7. Papers related to this application may be submitted directly to Art Unit 2814 by facsimile transmission. Papers should be faxed to Art Unit 2814 via the Art Unit 2814 Fax Center. The faxing of such papers must conform to the notice published in the Official Gazette, 1096 OG 30 (15 November 1989). The Art Unit 2814 Fax Center
